Dean White,

Thank you for the opportunity for Phi Kappa Psi to partner with the Louisiana State University to re-establish a viable and values based organization on campus. Please let this letter serve as notification that the LA Alpha chapter of Phi Kappa Psi has completed the Chapter Excellence Program, aka accreditation. The chapter has successfully passed all eleven areas of the accreditation program.

It is with the support of LSU, devoted alumni, and the National Fraternity that we wish to continue creating a culture dedicated to upholding the principles established by LSU and those established by the founding fathers of Phi Kappa Psi.
